

SUTURE AND WOUND DRESSING

In-cases of small injuries or accidents, we provide suture and wound dressing. We offer suturing and wound dressing in a 100% sterile environment at a very competitive price.

The services include;

1. Excisional biopsy.
2. Incision and abscess/cyst drainage.
3. Removal of suture.
4. General wound care.

Our equipment is sterilized under high standard technique.
